Benvenuti al Postal match 2009

1. This is not a sanctioned match. It does not affect shooters' classifications nor count toward the two-match requirement for being eligible to shoot the Nationals.

6. All competitors must be classified Novice or above in the division in which they are shooting.
7. If a shooter is not classified in the division in which he is shooting but holds a current classification in another division, he may compete using the highest classification he presently holds per page 72 of the current rule book. The shooter's classification in the submitted results should show that classification, not "unclassified".
8. Each competitor may compete only once in any division. If more than one score for a division is submitted, the earliest match score will be used and other scores will be rejected.

16. Following the final tallying of scores, match results will be posted on the IDPA website.
17. Printable award certificates for up to the top six (6) competitors in each division/classification and for category winners (High Senior, etc.) will be emailed to the match directors submitting the scores or will be available for download from the website. (Total awards limited to 166. Awards will be calculated by the IDPA formula of 1-per-three up to a maximum of 6 in each division/classification.
